*There must be an authorization form to administer medicine on file for us to apply both diaper cream and sunscreen.
 ** We have a fridge to keep lunches cold, and microwaves to heat parts of lunches. Food that needs to be warmed up must be in a separate container from the food that does not need to be warmed up.
 *** If we have light rain, we will still play outside!

****We will follow the requirements from the local health department and the Department of Children & Families
