

SCHOOL PORTRAITS

THE WELL ~ 4/26 & 4/27

I am excited to have the opportunity to provide your school with fine art school portraits. My goal is to provide a better and more personal experience to all the families who attend the schools who have chosen me to photograph their children.

What is a fine art school portrait?

Fine Art School Portraits are a modern approach to school photos. No more cheesy smiles with strange backdrops. The background will be solid black, white or gray and the photos will be simple and classic. Instead of forcing a cheesy grin, the children will be encouraged to be themselves and will never be forced to smile. More example photos can be found on my website below.

What should my child wear?

Please avoid graphics, neon or wild prints. Solid colors are best, and all shots are shoulder up. Please contact Destiny D. Photography if you have any questions.

Will you take sibling photos?

Yes, if siblings attend the same school we will take their photos together upon request. Please notify your teacher or office staff if you wish to have your children photographed together.

How will I order?

Within two weeks of your child's photo day, you will be emailed the link to a class proofing gallery. There will be 2-5 images of each child in a password protected album. All child albums will contain at least one black and white. I do not choose which photos you print; you do! You will be able to order prints, canvas wraps and digital files directly from the viewing gallery. The ordering process is simple and secure. All orders will be mailed to an address of your choosing. Also, 10% of gross profits will be donated back to the school!

The gallery will be live for 2 weeks. ALL ORDERS MUST BE PLACED IN THAT 2 WEEK PERIOD.
